Miss Toaddy's 5th Grade

Here's what we will be up to this month!

Reading - We will be begin our unit on character development. We will be studying strong characters in literature and how they change throughout the story.

Writing - We have just started our third writing unit! This unit will focus on creating individual websites about a country of choice for each student. The students will become experts on their country. At the end of the unit, we will be conducting a "Walk through the World" in which students will show off what they learned in this research unit!

Math - We will be continuing with decimals this unit! Students will be adding, subtracting, multiplying, and dividing them! They will also be plotting points on a graph! **Please remember to keep working on those multiplication facts at home so that it comes easily to students as they are working on new material that they learn!** The better students know their basic facts; the more confident they will be with the material we are working on in 5th grade!

Social Studies - We will be moving on to studying cultures. We will study our own as well as other cultures in different countries.

Science - We just started our new unit on the 3 states of matter! We look forward to learning about matter and creating 3D models!

Important Notes!!!!

1/15- No School MLK Jr. Day

1/13- Donut Day

**** If you have any questions, please do not
hesitate to ask.**
