Miss Toaddy's 5th Grade

Here's what we will be up to this month!

Reading - We are in the process of our business unit! Students are participating in book clubs!

Writing - We are almost done with our Wonder unit. We will then do a mini unit on sharks!

Math - We are finishing up measuring angles and finding angles of 2-D shapes. **Please remember to keep working on those multiplication facts at home so that it comes easily to students as they are working on new material that they learn!** The better students know their basic facts; the more confident they will be with the material we are working on in 5th grade! Please note, students have access to two websites for practicing their math facts. www.IXLmath.com and www.everydaymathonline.com. They have both passwords located in the front cover of their student planners!

Social Studies - Our next unit of study is business! Students will be creating their own business for the business fair later this year! It is one of my favorite units to study! All are welcome to attend our business fair on May 10th from 1:30-2:30!

Science - We have just finished up a unit on biomes. We will end the year with some experiments from our Titanic Unit!

Important Notes!!!!

5/4- Field Trip to New Salem

5/10- Business Fair from 1:30-2:30, ALL parents/guardians welcome to stop by

5/11- Donut and Juice Day

5/23- 11:00 AM dismissal, report cards go home, last day :(

** If you have any questions, please do not hesitate to ask.
