

November Newsletter

Miss Toaddy's 5th Grade

Here's what we will be up to this month!

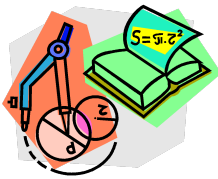

Reading - We are excited to announce that we will be studying biographies this month! Students have just completed their mystery book clubs! After the biography unit, students will be reading historical fiction novels. Students received a rubric for their biography turkey project this week! Due dates are posted on the bottom of the newsletter!

Writing - We have finished our personal narrative unit and are moving on to argument. Students will be arguing about chocolate milk for lunch as well as a topic of their choice. We are working hard to find main ideas and supporting details for this unit!

Math - We are finishing our third unit which stresses the ability for students to add and subtract fractions. When students have finished this unit, the next unit to be introduced is **multiplying and dividing fractions!**

Please remember to keep working on those multiplication facts at home so that it comes easily to students as they are working on new material that they learn! The better students know their basic facts; the more confident they will be with the material we are working on

in 5th grade!

Social Studies - Our next unit of study will be government. Students will be reading, writing, and creating many projects that pertain to this topic! They will be learning about different types of government and how the US government works. We will NOT be discussing current politics.

Science - We will begin our ecosystem unit next in science! Students will be learning about biotic and abiotic factors and how ecosystems thrive by dependence.

Important Notes!!!!

11/3- Donuts and Juice Day

11/6-11/9- Parent Teacher Conferences

11/9- Half Day Dismissal 11:00 AM
